All,

Speaking for the ERRS side of the house, I have PR-R8-15-00466 for \$ 200,000.00; I will need another PR for the \$ 271,409.96 that is discussed below. Please provide PR number as soon as it is initiated. Also, be sure to specify whether the \$ 271,409.96 will remain on the base contract or be transferred to a specific task order. Thanks.

All, please proceed with obligating the funding authorized in the attached hand allowance. \$1 million will go to START for the Post Incident Monitoring Strategy (Steve Merritt/Joyce) and the remainder (\$471,409.96) to ERRS of which \$200K should be issued in a separate TO for preparation for the congressional hearing. The remainder, Kerry, should go to ERRS for mine site stabilization. Thank you - lw
